

Looks Aren't Everything: Best Practices in Developing, Reviewing and Distributing Health Education Materials

Purpose of Health Education Network Meetings:

1. To provide a health education forum for county wide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators' professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

Desired Outcomes of this Health Education Network Meeting:

1. Receive updates from a report by Dr. Deborah Glik on the health education needs of LAC-DPH Public Health Nurses and the implications for health education staff.
2. Identify at least three health education materials needs of LAC-DPH health education staff and develop recommendations on how to address these needs.
3. Describe the various efforts within the LAC-DPH to address health education materials development, review and distribution.
